ORDER

In accordance with the court's ruling at the final pre-trial conference on January 4, 2011, the court finds that the plaintiff failed to timely disclose to defendants a medical bill in the amount of \$320 from Mississippi Pathology Associates, P.A., and therefore should be prohibited from using that information at trial. Accordingly, defendant Southeast Urology Network, P.C.'s Motion to Strike Plaintiff's Eleventh Supplemental Disclosures (Docket #386) is GRANTED as to the bill for \$320 from Mississippi Pathology Associates, P.A., but DENIED in all other respects as the plaintiff had already disclosed the remaining information contained in the Supplemental Disclosures and therefore was not "new," previously undisclosed information.

SO ORDERED, this, the 5th day of January, 2011.
